

Calling all creative, planet loving kids!

We're on the lookout for some
art loving superstars to take part
in our **Recycling Poster Competition**.

If you love to draw and colour and care about the planet this is your chance to showcase your talents whilst also making a difference.

Create a fun, colourful poster that encourages people to generate less waste, recycle more, cut down on unnecessary single use plastic and look after our environment.

The **best entry will win a prize** – and even better, your poster will be displayed around our local communities to help spread your message!

Deadline: 31 July 2025 | Open to: 5-7, 8-11, 12-14, 15-18 years

Send entries to: Sustainablefuture@platformhg.com
