

**Our Green Champions are customers who volunteer to help develop and support sustainability initiatives at Platform – if you'd like to get involved with green policies and projects, this is for you!**

### **The Green Champion role**

There are no obligations or formal commitments, customers can get involved as much or as little as they like. As a green champion you'll:

- Be invited to join meetings online 2 or 3 times a year to hear about the latest sustainability updates at Platform and to share your ideas
- Have the chance to influence our sustainability plans
- Get access to sustainability tips and updates
- Be part of a network of like-minded customers who care about improving the environment and our local communities.

### **Your skills**

You don't need to be an expert, just enthusiastic! We are looking for people who:

- Are interested in the environment and sustainability – that could be anything from energy and waste to green spaces and wellbeing
- Are keen to educate and inspire others
- Have an understanding of, and commitment towards, equality and diversity

### **Our commitment to you**

- Training to enhance your knowledge and help you educate and inspire others
- Opportunities to make suggestions to improve sustainability at Platform
- Support from the Platform Sustainability Team
- All reasonable expenses will be refunded, where agreed in advance. If required for a specific purpose, the customer will be asked to make their own travel arrangements (standard class public transport tickets will be fully refunded or, if necessary, mileage is refunded at 45p per mile, in line with HMRC guidelines).

### **What's in it for you**

- Make a positive impact on the environment and your local community
- Have your say on what we are doing
- Develop your skills, knowledge, expertise, and experience

**We'd love you to join us, if you'd like to register your interest please send us your details by email to [sustainablefuture@platformhg.com](mailto:sustainablefuture@platformhg.com)**
