

Neighbourhood Walkabout – Resident Update

Darwin Avenue, Fleet, Spalding, Lincs, PE21 8LX

Tuesday 14th July 2026 at 1:30pm

Background:

This estate walkabout started near the play area on Darwin Avenue. The route went along Darwin Avenue to the top of the street and included Fitzroy Road, San Carlos Close and Ivy Road. No partner agencies were present during this walkabout.

What Was Found

During the walkabout, the following issues were identified:

- General litter and fly tipping near the balancing pond in between Darwin Avenue and Ivy Road and around the children's play area. Litter was also identified along the footpath which connects both Darwin Avenue and San Carlos Close.

Issues and actions raised

What we have done – description of actions from the issues reported/seen.

- A waste clearance order has been raised via The Hub to have the fly tipped items and litter removed from the estate.

Update details:

Our next update will be shared on: Monday 27th July 2026

Planned actions before the next update [Insert brief action summary]:

- NO to monitor the waste clearance order for this site through to completion.
