

Neighbourhood Walkabout – Resident Update
South Terrace & Bath Gardens, Boston, Lincs, PE21 6BA
/PE21 6BY

Thursday 9th July 2026 at 10:30am

Background:

This walkabout began at the block of flats on South Terrace and concluded at houses along Bath Gardens. No partner agencies or residents were present during this estate walkabout.

What Was Found

During the walkabout, we noted the following issues whilst on site. This included:

- Litter scattered around the shrubbery in the parking area to the South Terrace flats.
- An overgrown strip of communal land near 14 Bath Gardens.
- Low hanging branches from a tree on communal land near 25 South Terrace.

Issues and actions raised

What we have done – description of actions from the issues reported/seen.

- The litter in the parking area at South Terrace has been reported to PHG's Estates Team. A litter clearance will be completed within the next couple of weeks. I have received confirmation from the Estates Team regarding said clearance.
- The overgrown strip of land on Bath Gardens and the low-hanging tree branches as mentioned above are not PHG's responsibility to maintain, this was confirmed by our Grounds Maintenance Team. The responsibility lies with the Local Authority to maintain these greenspace areas, as such contact will be made with Boston Borough Council notifying them of the issues.

Update details:

Our next update will be shared on: Monday 27th July 2026

Planned actions before the next update: Litter clearance to be undertaken and contact to be made with the Local Authority regarding the grounds maintenance issues.
