

Clear Spaces, Safe Places

Shared spaces need to stay clear so everyone can use them safely.

Communal areas are shared by everyone who lives in a building, scheme, high-rise or neighbourhood. Keeping these spaces clear helps ensure they remain safe, accessible and free from hazards.

Why does it matter?

Keeping shared spaces clear helps:

- Reduce fire risks.
- Keep escape routes accessible.
- Prevent trips and falls.
- Support emergency access.
- Ensure everyone can enjoy the space.

Items we're asking customers **NOT** to leave in communal areas

- Garden furniture
- Trampolines
- Play equipment
- Paddling pools
- BBQs/Fire pits
- Bikes/Scooters
- Plant pots
- Personal belongings
- Unwanted items

It's about shared responsibility

We know customers take pride in their homes and communities.

Keeping shared spaces clear helps make our communities safer, more accessible and more enjoyable for everyone.

As a responsible landlord, **where a serious or immediate risk is identified, we will take appropriate action to help keep people safe.**

Thank you for helping keep your community safe.

If you have an emergency repair or urgent housing issue, please call us on **0333 200 7304**.
