

Neighbourhood Walkabout – Resident Update

Jesmond Grove, Pype Hayes, Birmingham, B24 0NF

13 August 2026

Background:

- A road of 38 2 & 3 bedroom houses.
- PPC LAM's Matt Barber and Dan Curry attended
- No outside agencies attended
- We were not met by any customers at the meeting point, however, we door knocked several properties.

What Was Found

During the walkabout, we noted the following items raised by residents and observed on site. These included:

- A request for the fence panels in front of No's 44-46 (No.35's garden border) to be painted. However, PPC looked and agreed they were currently in good condition at the time and it is not necessary to raise a job at this time.

We're pleased to let residents know that no further concerns were raised during the visit. The customers who we spoke to reported that Jesmond Grove was a pleasant and quiet road to live on. There is good community spirit, residents take pride in their community and look out for some of the older, more vulnerable residents.

Issues and actions raised
